P.5662 New Applications

S.17/0059/FUL Barn At Coombville, Coombe. Barn conversion to single dwelling. Proposed by June Cordwell, seconded by L Farmer, to OBJECT on the grounds that the development is outside of the settlement boundary. Agreed all in favour.

S.17/0051/HHOLD 67 Parklands GL12 7NR. Single storey front, side/rear extension. Proposed by R Claydon, seconded by John Cordwell, to OBJECT to this application on the grounds that: the flat roof and extension are out of character with the local area and so contrary to policy HC8 of Stroud District Development Plan November 2015; and the loss of garage and part of the driveway in association with the additional bedroom, could lead to an intensification of parking problems. Agreed in favour with 1 abstention.

S.17/0067/HHOLD Hillcrest, Coombe. Replace existing rear flat roof dormers with 22 degree mono pitched roof. Proposed by R Claydon, seconded by P Smith, to SUPPORT this application. Agreed all in favour.

S.17/0091/HHOLD 14 Turnpike Avenue GL12 7SD. Single storey extension to the rear of the property and extension above garage to the side of the property. Proposed by P Smith, seconded by A Proctor, to SUPPORT this application. Agreed in favour with 1 abstention.

S.16/2870/HHOLD 12 Church Street, GL12 7HB, Re-instating timber sashes, doors and shop front. It was noted that UPVC windows/doors had been installed without planning permission and SDC Planning Enforcement had been informed as the property is subject to Article 4 direction.

Concerns were raised that the reinstatement work should be carried out under an Enforcement Order as this is subject to a time limit for completion. It was also suggested that the Planning Officer be informed that extensive work had been carried out to the interior of the building, also without planning permission. Proposed by P Smith, seconded by R Claydon, to OBJECT to this application and request that it is dealt with under Planning Enforcement. Agreed all in favour.

S.17/0148/TCA 29A Gloucester Street, GL12 7DN. Silver Birch (T1) - Reduce by 2m. Spruce (T2) - Dismantle to ground level. Proposed by R Claydon, seconded by L Farmer, to SUPPORT this application. Agreed all in favour.

S.17/0088/CPL Holstein Pen, Canons Court Golf Club, Certificate Proposed Lawful Use/Dev Garage conversion and porch. *This notification alerts the Parish to the submission of an application for a Certificate of Lawfulness. These are NOT planning applications, and as such there is not an opportunity to consult on the planning merits of the case. Depending on the type of application, the Council's Solicitor will be considering whether the proposal requires a formal planning application to be made. It may be that the development is classified as Permitted Development, or that the current state of affairs has existed for a significant period of time. On this occasion, the Case Officer would like to invite the Parish to submit any information it has on this site, for example any previous development at the property such as dates of occupancy, development or change of use. The file will be available to view on the website. Please note, the Council is unlikely to make a decision on this application prior to 9 February 2017.* Proposed by P Smith, seconded by R Claydon, to respond that the Council has no knowledge of development/occupancy/change of use at the property. It is suggested that data provided on Google Earth is studied for possible clues. Agreed all in favour.

The following were late additions to the agenda and were dealt with under S101 delegated powers to the Clerk to respond due to SDC Planning Authority time limitations
