P.5558 PLANNING CORRESPONDENCE

a) Resident complaint about overgrown land between Mitre Pitch and Water Lane following withdrawn application to incorporate into private gardens, and lack of SDC Enforcement. This was contaminated land and therefore could not originally be incorporated into gardens. The Clerk is asked to write to SDC requesting that Enforcement is increased and that the developer Elan fulfils their planning obligation of maintaining it as a public open space.

b) Stroud District Council Heritage Strategy questionnaire request to fill in for Wotton – already circulated. Cllr John Cordwell will make suggestions and the Clerk will distribute to Councillors for comments before submitting to SDC as a response.

c) Draft Cotswold District Council Local Plan received for consultation – put onto July agenda.

P.5559 POTTERS POND - the steps and ramp are being installed near the footpath across the bridge (which is still closed). However the supporting wall adjacent to the bridge from where the steps and path emanate has not been repaired leading to debris crumbling down the bank into the stream.
