

CEMETERY CHARGES & BURIAL REGULATIONS

At the January 2018 meeting of Wotton-under-Edge Town Council, the following fees and charges were approved with effect from 1st April 2018. In addition to this the November 2016 meeting of Town Council agreed to abolish fees for burials of a child under 5 years old, and reduce by 50% fees for children between 5 and 16 years of age, applicable to residents of Wotton. REGULATIONS FOR WOTTON-UNDER-EDGE CEMETERY

1. All memorials must receive Wotton Town Council Burial Authority's approval before installation.
2. A monochrome photographic image of the deceased may be laser etched directly onto the headstone, however the layout and a copy of the image must be approved by Wotton-under-Edge Town Council.
3. Headstone memorials may not be installed within one year of the date of the interment. Approval for a memorial may be sought at any time in that year, but fees must be paid in full at the time of the permission, not the installation. Headstones must be fitted by BRAMM (or equivalent body) approved stonemason.
4. Kerbstones or borderstones are no longer permitted. However, the Wotton-under-Edge Town Council as Burial Authority will allow graves to be edged in wood 1 inch thick at ground level (not protruding above grass) provided the necessary permission has been given. Any other materials will not be permitted and the Town Council reserve the right to remove any such materials
5. After an interment the site must be well tamped down, mounded to approximately 300mm to allow for sinkage and covered with the displaced turves. The area must be left clean and tidy and any unwanted spoil must be removed from the Cemetery.
6. The Town Council provides no service for the maintenance of graves except for mowing over those that are flat and turfed. There is a company which provides a grave maintenance service, details are available from the One Stop Shop at the Civic Centre.
7. The Town Council reserves the right, without notice, and after one year from the date of the interment, to eliminate the mound over any grave or otherwise to deal with a grave space if, in their opinion, it is in an untidy condition.
8. The placing of flower vases or other permanent receptacles on graves which can be mown over is prohibited.
