**17. Payment.** Hirers will be required to pay a refundable Damage Deposit. This may vary depending on the type of event but will be within the range of £100 to £250, either in cash or a cheque, to be held until the Hall has been inspected after the event. Following satisfactory inspection the deposit will be available for the Hirer to collect. Cash deposits will be required for all parties and similar events. The amount of deposit, and whether this can be by cheque or must be in cash, will be decided by the Town Clerk and is non-negotiable.

Cheques should be made payable to Wotton-under-Edge Town Trust.

Full payment of Hall hire must be made at the time of booking. Failure to pay will result in a declined booking. From 1/2/2016 the preferred method of payment will be by electronic bank transfer, details as follows:

Barclays Bank    Sort Code: 20-13-42    Account: 93562875    Account Name: Wotton-under-Edge Town Trust

Booking fees and payments made by cheque or cash will incur a surcharge of £1.50 to cover bank charges. The surcharge will not apply to Damage Deposits, which are required in cash or cheque so these can be held by the Council and returned following a satisfactory inspection after the booking.

Regular Hirers: Invoices must be paid promptly, otherwise the Town Trust reserves the right to refuse future bookings.

If a payment made to the Town Trust is subsequently declined incurring bank charges we will seek reimbursement from the hirer concerned for the charge incurred.

Hirers are responsible for the safety of their guests/anyone attending their function. They must identify and assess any potential risk posed. For large events a written risk assessment must be completed and a copy given to the Town Trust.

Bouncy Castles are not permitted in the Hall as they will damage the floor.

It is essential that all access routes, fire alarm panic buttons, gangways, exits and emergency exits are kept clear at all times and free from obstruction. Parents/carers with buggies or pushchairs must ensure that these do not obstruct access to fire alarm panic buttons, gangways, exits and emergency exits.

**19. PPL Music Licence.** Other than at a private function, recorded music may not be played unless a valid PPL licence is held by the hirer or music provider. The Town Trust may ask to see a copy of the licence. The Town Trust does not hold a licence for this purpose.

For further information please see the PPL website [www.ppluk.com](http://www.ppluk.com). This does not affect live music performances.
