The Thatched Cottage, Wortley Road, Permission S.17/0948/DISCON - Discharge of Condition 3 (Archaeology) of permission S.15/0550/HHOLD.

It is disconcerting to note that some applications appear to be approved by SDC planning officers who have a disregard for – or lack of knowledge of - the parking difficulty faced by residents in Wotton. The Clerk is asked to write to the Head of Planning at SDC to ask that she highlights paragraph 5.67 in the SDC Local Plan to her planning officers, stressing that this Plan should be adhered to when planning application decisions are made (particular reference to above 22 Bradley St).

P.5699 NEW APPLICATIONS:

- a) S.17/0818/FUL **Garages Behind 54 And 55, Dryleaze Court.** Change of use from two existing garages to create a communal laundry room with access ramp to the East of the building. It was proposed by Cllr R Claydon and seconded by Cllr June Cordwell and agreed all in favour to object on the basis of
- Complete loss of privacy to no.'s 54 & 55 due to proposed ramp access contrary to Policy ES3; it would be possible to look into these adjacent properties' bathroom window and their rear gardens.
 - There is no justification of the need for the rear access ramp, since a disability access ramp could be sited at the front of the existing garage block thus only needing one access point. Furthermore, the logic of siting the laundry facilities in this location is unclear as it is a long distance from any proposed users; it would be more effective to site such facilities in the garage block nearest to the living quarters of those residents on the other side of the site.
- b) S.17/0911/LBC **Burlingham House**, 60 Bradley Road, General repair and refurbishment of existing building including internal and external alterations. It was proposed by Cllr John Cordwell and seconded by Cllr P Smith and agreed all in favour to object on the basis of:
- The alterations proposed are not appropriate to a listed building.
 - Stroud District's Local Plan states that no double glazing is allowed in a listed building.
 - UPVC soil pipes and aluminium guttering are unsatisfactory on the façade of this listed building.
 - The proposed change from pitched roof to flat roof is out of keeping with the style of this listed building.
- c) S.17/0903/FUL **Bournstream Farm**, Bournstream, New link between existing farmhouse and ancillary accommodation and demolition of a Dutch barn and the replacement of a garage with four car ports. It was proposed by Cllr R Claydon and seconded by Cllr L Farmer and agreed all in favour to support this application.

- d) S.17/0900/FUL **Culverhay Surgery**, Culverhay, Proposed entrance lobby. It was proposed by Cllr P Smith and seconded by Cllr R Claydon and agreed all in favour to object on the basis of:
- There is no Design & Access Statement to explain the need and logic behind the proposed alterations, for example, where would the future 'records store' be if it is to become a consulting room?
 - Loss of two parking spaces contrary to Stroud District Local Plan para. 5.67; parking and turning is very difficult in this small car park.
 - Concerns regarding limited pedestrian and wheelchair access via a single rather than double main door.
- e) S.17/0922/HHOLD **2 Uphill**, Coombe, proposed ground floor extension & garage conversion. It was proposed by Cllr R Claydon and seconded by Cllr L Farmer and agreed all in favour to make the comment on this application that the proposed garage conversion leads to loss of parking spaces (contrary to para 5.67 of Stroud District Local Plan) and it is not clear from the plans how and if sufficient parking will remain on the site. There are other buildings on the site itself and these are not made clear on the plans.
- f) S.17/0927/HHOLD **118 Parklands**, Replacement porch. It was proposed by Cllr R Claydon and seconded by Cllr T Luker and agreed all in favour to make the comment on this application that the description of the development is totally inaccurate since it is not a replacement porch but an extension across the front of the property. Furthermore this Council requests that the Planning Officer checks the amount of shadowing which would be caused to the adjacent neighbour's conservatory and garden via such a proposed extension.
- g) S.17/1014/LBC **26 Long Street**, GL12 7BT. Replacement of windows and door. Re-render kitchen wall. Conversion of existing store to Utility space. It was proposed by Cllr T Luker and seconded by Cllr P Smith and agreed all in favour to support this application.
- h) S.17/1055/HHOLD **22 Gloucester Street**, GL12 7DN. Renovation of residential property incl proposed replacement balcony and conversion of flat roof to pitched roof. It was proposed by Cllr John Cordwell and seconded by Cllr N Pinnegar and agreed 6 in favour, 2 against, 1 abstention, to make no comment on this application.
- i) S.17/1047/HHOLD **4 Tabernacle Road**, GL12 7EF. Single storey extension. Provision of parking area at the front of the house. It was proposed by Cllr P Smith and seconded by Cllr T Luker and agreed 7 in favour, 1 against, 1 abstention, to support this application.
- j) S.17/1041/HHOLD **18A Bradley Road**, GL12 7DT. Dormer added to flat roof, window positions & sizes adjusted & replace roof to conservatory. It was proposed by Cllr R Claydon and seconded by Cllr June Cordwell and agreed all in favour, to object to this application on the basis of:
- It contravenes policy ES3 due to loss of privacy for neighbours
 - It contravenes policy HC8 since the style would be out of keeping with the existing dwelling.

Cllr P Smith took the chair

P.5700 Town Trust property – to confirm solicitor to register Town Trust property (already vested in Charity Commission) with Land Registry, cost estimate £700 plus disbursements (includes work already done ref; youth centre objection to removal of caution at Land Registry). It was proposed by Cllr P smith and seconded by Cllr N Pinnegar and agreed all in favour, to proceed with this land registration and cost.

This completed the business of the Planning Committee at 9.10pm

Signed
Chairman of the Planning Committee
