T.4702 Apologies none

T.4703 Public Forum CALGS (Coombe Allotment & Leisure Gardeners Society) attended the meeting and gave an update on their fight to stay on the historic allotments at Coombe after being served sudden eviction notices a few weeks ago by the landowner. CALGS is now officially formed with 90 members & 4 membership categories. A bid is being prepared for Community Asset status to SDC and the Town Council is asked to give its support. Various legal issues are being addressed via solicitors with the landowner, who has stated horses are wanted on the site, although it is only 0.52 acre and would not appear to be large enough for this purpose. Media interest in the site is growing, and the Berkeley Estate is helping to identify early tithe maps of the area. Two other allotment sites have recently successfully fought off housing development and useful information is being gleaned.

T.4704 Declarations of Interest Cllrs John & June Cordwell – Haw St planning application as neighbours

T.4705 Chairman's Announcements The Chairman circulated a report detailing attendance at meetings namely the KLB Japanese exchange farewell event, Symn Lane play area overnight closure meeting and Tolsey Clock inspections. The Clerk explained that as the Committees were properly constituted as Town Council Committees with Powers vested to approve their own Minutes, there was no need to note these Minutes on the agenda each month. They would however still be emailed out to all. This was approved by Cllr P Smith and seconded by Cllr P Barton and agreed by all.

the year or decided at budget only and then payable the following May. The Clerk explained that in actuality very little (only a few hundred pounds) is available to distribute as free grants and that if a press call were made in autumn for grant applications, then a significantly higher budget element (eg £2k?) needs to be allocated.

c) To consider appeal from Wotton Community Sports Foundation for funding towards safe pedestrian/skateboard/cycle access to the skate park, via their Sponsor a Yard of Path scheme. The Appeal was explained and highlighted the increased urgency to raise funds for a safe footpath for young people to access the new skatepark. Footpaths Committee - The Cotswold Wardens, Glos PROW and an adjacent landowner are in discussion over a boardwalk which has been installed on the Coombe to Holywell river footpath. Sports Foundation (WCSF) - footpaths fundraising has started in earnest with events planned. Two maps were shown (Clerk to scan & email) of a pre facilities site, and a future proposals site. The New Rd gate will be regressed and a height barrier installed to allow cars off the road. 400 fruit trees were planted in 2 & half hours. The Joint Venture sports centre took over management from March, new taster sessions will happen over the summer thanks to 'Active' funding.

Cllr John Cordwell – County Councillors have been given a £22,500 Highways budget to cover their divisions.

Cllr P Smith – SDC DCC is meeting tomorrow evening to discuss the revised garage width application at Potters Pond and the presence of a Town Cllr is advisable due to our objections. Cllr N Clement offered to attend. A water pipe leak in Rope Walk is the subject of disagreement between Glos County Council and Severn Trent; failed attempts at rectification were explained.

Cllr A Wilkinson – The Chamber of Trade hosted an excellent event at Renishaw's new facility raising £250 for the new skatepark footpath as well as funds for the town leaflet reprint. The new 'visit Wotton' mug is now on sale since Easter.

Cllr T Luker – another bench is still needed at the bottom of Long St. The Clerk explained the problems with getting permission from TSB. Cllr Luker will identify another suitable location where footpath width is wide enough.

Cllr M Zimmer – Court Meadow and Court Orchard are in dire need of resurfacing and promises to return after last failure have not materialized. Cllr John Cordwell to email Amey again copying in Cllr Vernon Smith.

Cllr A Wilkinson left the meeting

It was proposed by Cllr Chris Galbraith seconded by Cllr M Zimmer to enter closed session under the Public Bodies (Admission to Meetings) Act 1960 to discuss the following contract and due to discussion of the Town Trust Charity business, agreed by all. The Public left the room.

T.4721 Town Trust Matters

a) To approve honorarium of £100 to Town Crier. It was proposed by Cllr K Collins and seconded by Cllr N Clement to approve this payment, agreed all in favour.

b) To agree the way forward for Heritage Centre lease review/update. After much discussion regarding the historical context of the 1994 lease which expired in 2010, and annual rent payments from the Heritage Centre to the Town Trust of £1400 which have not increased for 18 years, it was proposed by Cllr P Smith and seconded by Cllr R Claydon and agreed all in favour, that the rent is raised from £1400 to £1600 per annum, that the existing lease be used as the basis for a lease extension of a further 3 years from current date, and that £1000 be granted to the Heritage Centre to be used for boiler repair and signage. Agreement on lease and rent must be obtained from the Heritage Centre before

the grant is paid. It is considered too costly to engage a solicitor for almost £1000 to update this lease which serves the Town Trust purposes adequately.

T.4722 ACCOUNTS - To consider 3 quotes for replacement workshop doors which have rotted. The Clerk obtained 3 quotations and the merits of each were discussed. It was proposed by Cllr M Zimmer and seconded by Cllr P Smith that the quotation from Chappell Dix be accepted for £1850 plus vat since, although it is more expensive, hardwood is more durable than softwood, carried 6 in favour, with 5 against.

It was proposed by Cllr Chris Galbraith seconded by Cllr P Smith to re-enter public Council meeting, agreed by all. The Chairman of Planning – Cllr Chris Galbraith - took the meeting for the following planning items

T.4723 Planning Applications – responses needed by SDC before next Planning Committee

a) S.15/0688/HHOLD 29A Gloucester Street GL12 7DN. External redecoration, new front door and canopy and new side gate. Application made under Article 4 Direction. After perusal of the on line plans and discussion of detail, it was proposed by Cllr Chris Galbraith and seconded by Cllr John Cordwell and agreed 10 in favour 1 abstention to object to this application on the grounds that the arched canopy is out of keeping with the vernacular.

b) S.15/0717/LBC 55 Bradley Street GL12 7AR. Installation of roof lights to rear attic roof. It was proposed by Cllr Chris Galbraith and seconded by Cllr K Collins and agreed all in favour to support this application

c) S.15/0718/DISCON The Chipping Surgery, Symn Lane. Discharge of Condition 3 – Roof material (erection of 4 dwellings) S.13/0954/FUL. It was proposed by Cllr Chris Galbraith and seconded by Cllr John Cordwell and agreed all in favour to object to this application on the grounds that the glare given off from the roof causes a danger to traffic manoeuvring at above junctions, and also the roof design and materials are out of keeping with the style of this area, being very close to a conservation area with many listed buildings.
Cllrs M Zimmer & T Luker left the meeting

Cllrs June & John Cordwell spoke briefly to Council (as members of the public) before leaving the room for decision of the following item. They explained that they were in favour of working together with the neighbour and would be submitting an application for the same Scots Pine shortly.

d) S.15/0725/TCA 13A Haw Street GL12 7AG. Trees in a Conservation Area – T1 raise lower branches from scots pine to give 2m clearance from roof; T2 trim over yew bush to tidy; T3 reduce silver birch by approx. 5m and reduce secondary leader to minimise risk of failure; T4 raise lower branches of neighbour's scots pine to approx. 5m; T5 reduce leaders of small tree to clear scots pine. After discussion of the various arboricultural intentions, it was proposed by Cllr P Barton and seconded by Cllr P Smith to support this application, voted all in favour.
