

About Crimestoppers

Crimestoppers is an independent charity helping to fight crime in the UK via our **0800 555 111** telephone number and online form at **crimestoppers-uk.org** both of which allow people to give information about crime and criminal activities anonymously **24 hours a day, 7 days a week and 365 days of the year.**

We don't ask for names or addresses; calls and forms are not traced or recorded, and those who give information will not be asked for a statement or to give evidence in court.

What is the Crimestoppers Ambassadors Programme?

- The Ambassadors Programme is designed to increase awareness of Crimestoppers via organisations and companies with staff and volunteers who are in day-to-day contact with those who are victims of crime, have committed crimes, are vulnerable individuals or simply have information on crime
- Crimestoppers is an independent charity and one of the UK's best known brands, but the details of what we do is less known. Unfortunately this can mean that people in possession of information on criminal activities don't realise they can report what they know to us, anonymously
- In an ideal world all crime would be reported to the police. Sadly this is not reality with 94% of people stating that they would not have shared the information directly

Fearless.org is Crimestoppers' youth brand. The site provides access to non-judgemental information and advice about crime and criminality.

What does an Ambassador do?

The role of an Ambassador is to tell people about the **Crimestoppers** charity and how its free service can help reduce crime.

We ask you to:

- Tell as many people as you can about us whether they be colleagues, clients, friends or family
- Ensure they know that reporting crime to Crimestoppers is 100% anonymous – we only want to know what someone knows, not who they are
- Ensure they understand we are an independent charity and not part of the police

In return, you get:

- Support from your Gloucestershire Crimestoppers team
- 6 monthly newsletter
- Promotional materials
- Updates on specific campaigns such as burglary
- Invitation to the annual Crimestoppers Ambassadors networking event

What does **anonymous** really mean?

- Call and online forms are not recorded and can't be traced
- We have never revealed the identification of anyone in all of the 28 years we have been operating
