

Wotton Heritage Project

Our youth centre is about to start an exciting new project which involves interviewing on video 'Wottonians' (or residents) about their lives in Wotton, growing up, their families, where they worked, etc. This will also involve newcomers and some residents who were not necessarily born in Wotton who have put down roots here. The results will be stored in the Heritage Centre for posterity. Hopefully in the future, people will be able to view those long gone and access ancestors for family history and research.

We are thus looking for some help.

1. Questions - what do you think should be asked to those being interviewed?
2. Who would be interesting candidates for interview?

Please forward ideas and suggestions to Cllr Paul Barton at grav961@live.co.uk or write them down and drop into the One Stop Shop at the Civic Centre. *Thank you – much appreciated!*
