Our Ref: 11204634

5 December 2018

B4060 Bradley Road, Wotton-under-Edge

Dear Sir/Madam

What: Road closure for carriageway resurfacing
Where: Bradley Road – see overleaf for details of location
When: 17th to 21st December, between 0700 to 1900

We will be resurfacing the road at the above location and time as part of our promise to invest £150 million in the County's roads. To ensure the safety of you and our work force we have, under Sections 14, 15 & 16 of the Road Traffic Act 1984 as amended, made a Temporary Traffic Order to **close the road**.

Please note: Due to the type of engineering activities required with carriageway resurfacing, the road closure can cover an area greater than the area being resurfaced. This is to allow activities, such as movement and placement of machinery and material.

We appreciate road closures are inconvenient, but in order to keep you and the team working on the road safe it is necessary. We have planned the work so we can be in and out as quickly as possible and have tried to do it at a time that will minimize any inconvenience.

ACCESS

In accordance with the Temporary Traffic Order, we are not permitted to allow any person or vehicle to proceed along the closed roads; with the exception of pedestrian access to properties, emergency vehicles, and statutory undertakers responding to an emergency situation.

Therefore, if you normally drive into or out of this area during the hours when the road closure is in place, we ask you to please make alternative arrangements.

In exceptional circumstances, some level of access may be considered. This will be on a case by case basis and only where it doesn't impact on our ability to carry out the work and where it is safe to do so. Any access during this time would be at the drivers own risk as it is a works site and may have raised iron works on a temporary surface.

DIVERSIONS

We have created an official diversion route which will be signposted and is suitable for all vehicles that would normally use the closed road. We appreciate you may know an alternative route, however please be aware alternative routes which are outside of the road closure area are used at driver's discretion.

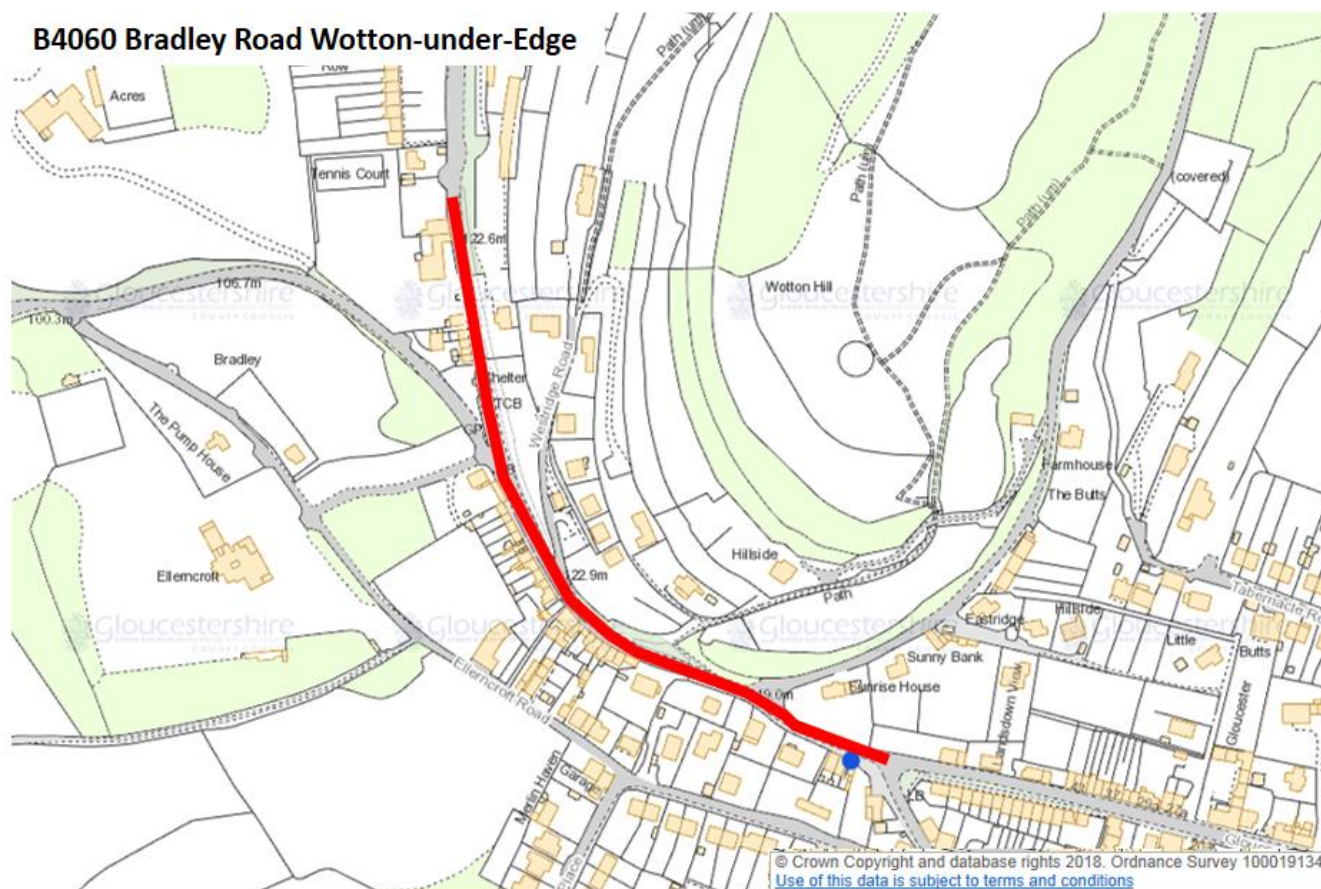

Thank you in advance for your patience and co-operation. If you have any queries please refer to the Frequently Asked Questions leaflet delivered with this letter, or contact us on 08000 514514.

Below is a map showing the extents of the Road Closure.

David Hicks

Lead Engineer
Gloucestershire County Council
Structural Maintenance
