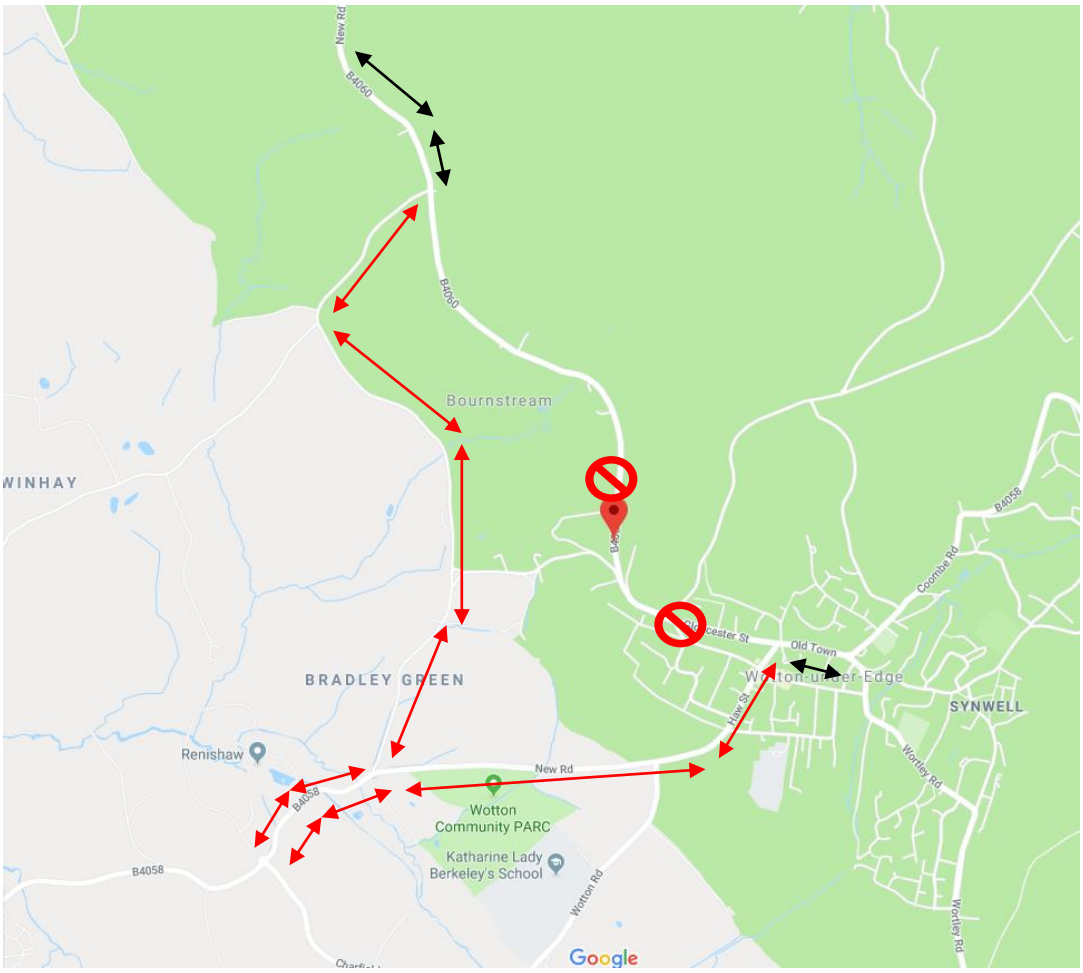
Service 60 Diversion

17th – 21st December 2018 (07:00-19:00)

Due to resurfacing works taking place on Bradley Road in Wotton-Under-Edge on the dates and times above, Service 60 from Gloucester to Thornbury will be diverting as follows. On approach to Wotton-Under-Edge the route will divert right into Stumpwell Lane (signposted Kingswood 2.5m, Charfield 3.5m, Veterinary Hospital). At the end of Stumpwell Lane we will turn **right*** onto B4058 and continue to the roundabout at Charfield Road before turning back to make a **safe approach** into Wotton-Under-Edge via New Road, Haw Street and Old Town (***due to the junction from Stumpwell Lane into New Road being too tight for a left turn**). The return journey will do the same diversion in reverse.



We apologise for any inconvenience caused, albeit out of our control.
