Locked units. Call 999 for code

Wotton under Edge Defib Locations

Which is your nearest?

It is important that you know where your nearest Defib is.

Please ensure that you understand which is the nearest to you today.

Having this leaflet will not help you if you have need to use a Defib. **You need to know and not have to refer to this leaflet.** All the Defibs are automatic, please follow the spoken instructions.

You cannot harm the patient and may save a life

Wotton under Edge benefits from so many publically accessible Defibs due to generosity of individuals, organisations and businesses in the town.

Wotton Lions work to support our community and are always looking for volunteers.
