Wotton Road, Charfield to Kingswood (806453)

Dear Sir/Madam

What: Road closure for carriageway patching  
Where: Wotton Road, Charfield to Kingswood – see attached for details of the exact location  
When: 10<sup>th</sup> to 11<sup>th</sup> December from 0730 to 1800 daily

On behalf of Gloucestershire County Council, we will shortly be patching sections of carriageway at the above location to repair localised faults and improve the condition of the road.

To ensure the safety of road users and our workforce, it is necessary for us to close the road to through traffic because of the road width and machinery that will be used. Overleaf is a map showing the extents of the road closure and diversion route.

### Local access

We will be patching in multiple locations along the stretch of road marked in red on the map overleaf. We will have a gateman at each end to manage access for residents when it is safe to do so. However please be prepared to use diversion route if access cannot be safely granted.

We appreciate road closures are inconvenient, but in order to keep you and the team working on the road safe it is necessary. We have planned the work so we can be in and out as quickly as possible and have tried to do it at a time that will minimise any inconvenience.

This work is in advance of a surface dressing treatment being applied to the full site in the summer 2020.

Thank you in advance for your patience and co-operation. If you have any queries please contact us on 08000 514514 or email Highways@gloucestershire.gov.uk.

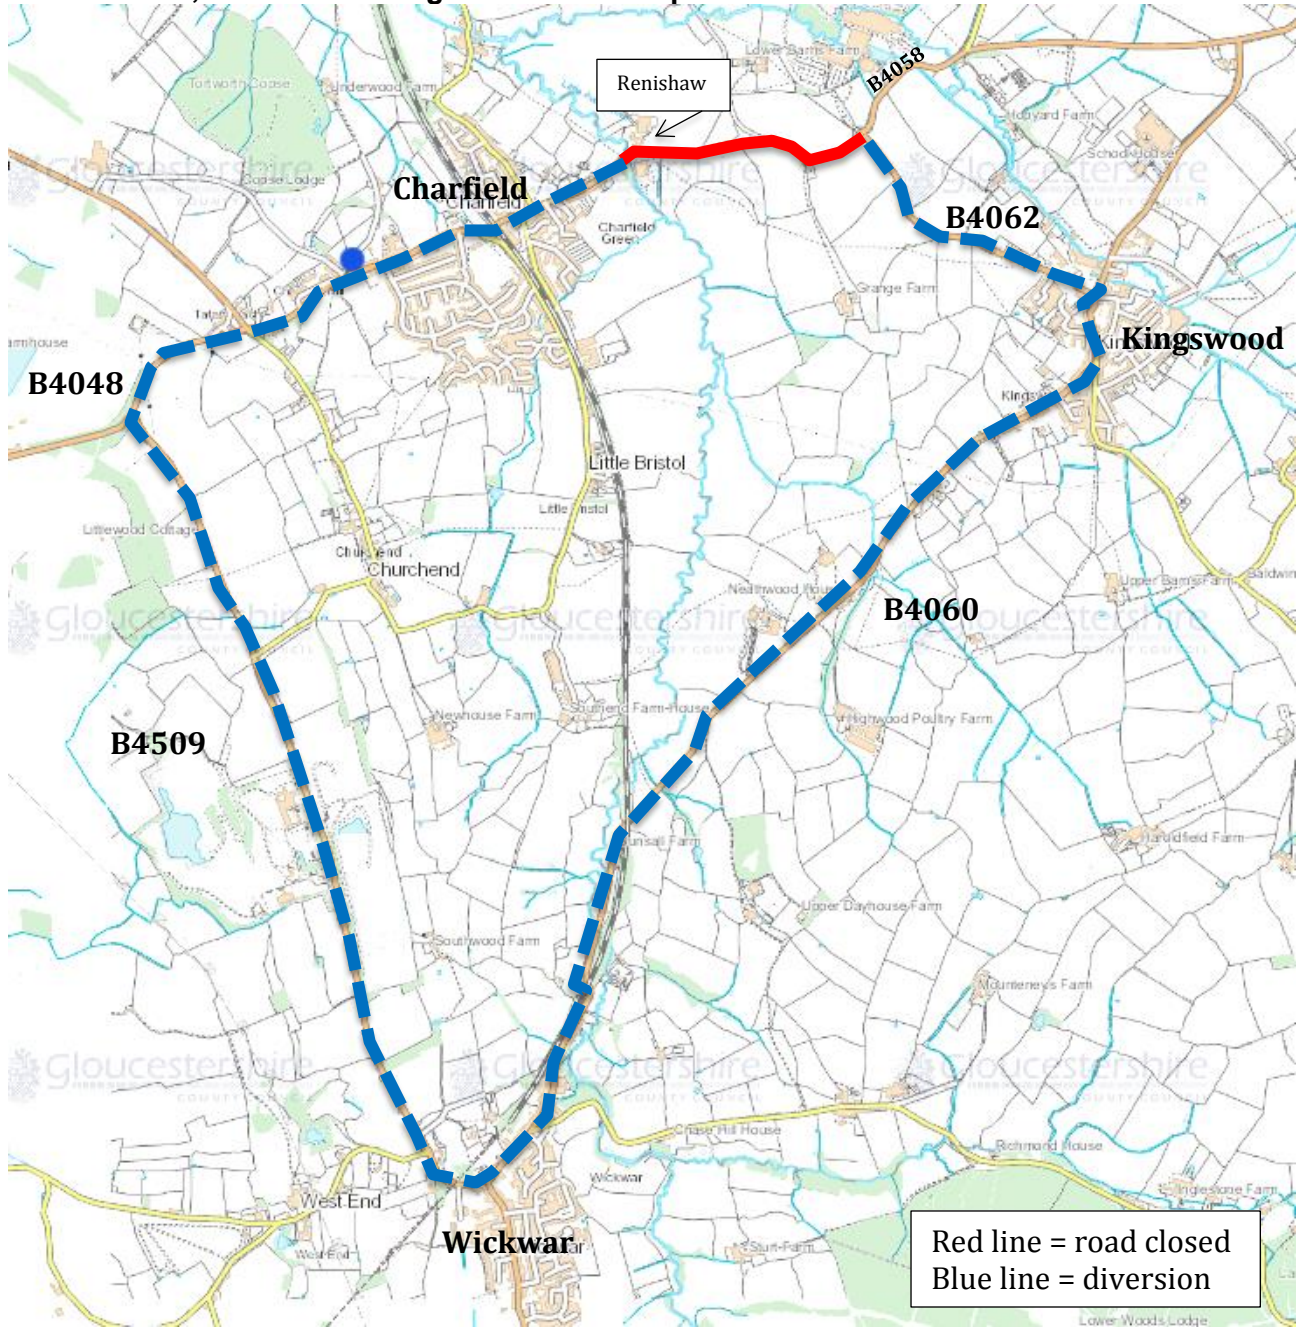

Yours faithfully,

Alex McGregor  
Contract Manager For and on behalf of Ringway
