## MEDIA POLICY

*Reviewed Jan 2020, next Review Jan 2022*

### Introduction

1. Wotton-under-Edge Town Council welcomes enquiries from the Press & Media and recognizes that its relationship with the press helps communication with residents. The aim of this policy is to ensure that the Town Council is seen to communicate in a professional and objective manner. This policy should be read in conjunction with the Members Code of Conduct and Data Protection Policy. Under the 'Public Bodies ( Admissions to Meetings) Act 1960' as amended by the 'Openness of Local Government Bodies Regulations 2014' the Press are permitted to attend all meetings of Council and its Committees. They are not, however, invited to attend any working group meetings which are informal fact finding sessions only and are not official council meetings.

2. The Council's approach to the media will be:

- Open, honest & with integrity
- Proactive
- Responsive and timely
- Informative

### Official Council Releases

3. Official Council press releases and statements will be prepared by the Clerk and/or Chairman in consultation with other Members as required, and will normally be restricted to matters that have been debated and agreed by the Town Council. They will be non-party political, factual and unbiased, and will normally include a quote from the relevant Councillor(s), usually the Mayor/Chairman of the Council, Committee Chairman or County/District Councillors.

4. The general principle is that the Town Clerk will act as the Council's Press Officer. Any official contact with the media concerning the Council's policies, the decisions it takes and the services it provides, are to be initiated through the Town Clerk.

5. Members of the Council who identify a media opportunity should discuss this with the Chairman and Town Clerk who will, in consultation with other Members as appropriate, decide how this will be followed up.

6. If a Member or employee receives an approach or enquiry from the media about any matter relating to the Town Council, it should be referred to the Town Clerk. A decision will then be made by the Clerk and/or Chairman, in consultation with other Members where necessary, about the format and content of any response.

### Councillor Press Releases

7. It is the prerogative of individual Councillors to make their own statements relating to local issues. Nothing in these guidelines is to be interpreted as preventing, or to prevent, a Member from expressing a personal opinion through the media, for example, if they are contacted by the press, by writing to a newspaper or posting an item on an internet site. Members must make it clear that any views expressed, where different from Council policy, are their own personal views and should be recorded as such. However, Members should always have due regard for the long term reputation of the Council and take care not to misrepresent or bring the Council into disrepute, and must bear in mind their responsibilities under the Council's Code of Conduct.

8. Such releases may or may not be political, should bear no reference whatsoever to the Council or any Officer and must not use the Council logo. Neither the Council address nor telephone number should be included as a point of contact. Councillors making a personal statement on planning applications or any town council business should make it

clear that it is a personal view and not use the word councillor. In making comments on planning applications councillors should be mindful of predetermination vs predisposition.

9. Council Members are solely responsible for the writing and distribution of all personal Councillor press releases and any letters to the media.

10. Where a journalist wishes to find out what was said by individual Councillors during a meeting, the reporter will be referred by the Town Clerk to the Councillor(s) direct. If journalists requires any clarification of proceeding at a meeting, they should be referred to the Town Clerk.

#### Freedom of Information Requests

11. All requests for information under the Freedom of Information Act are to be referred to the Town Clerk who, in routine cases will arrange for the information request to be satisfied in accordance with the legislation. If it is believed that valid reasons exist to withhold disclosure then the Town Clerk will consult with Members as necessary to determine an appropriate course of action.

#### Data Protection

12. Care should be taken when dealing with personal data. GDPR 2018 prevents the use of personal information other than for the purposes for which it was supplied. Members should bear this in mind when using any personal data which may be supplied to them by residents. Likewise, confidential documents, exempt minutes, reports, papers and private correspondence should not be disclosed to the media.

13. Officers and Members must not disclose any personal or confidential information about other Officers or Members where they are not already in the public domain. This includes the release of personal information, such as home addresses and telephone numbers, disciplinary procedures and long term sickness absences.

#### Official Council Press Release Protocol

14. The protocol for official Council press releases is as follows:

- a) The Town Clerk is responsible for issuing official press releases on behalf of the Town Council as a whole.
- b) All official press releases will normally include a quote from the relevant Councillor(s) including, as appropriate, quotes from County/District Councillors.
