## Alderley Bridge UPDATE

Dear Sir/Madam

**What:** Road closure for bridge repair  
**Where:** Alderley Road, Alderley – see overleaf for details of the exact location  
**When:** **26<sup>th</sup> October to 20<sup>th</sup> November** – 24/7 closure

We are writing to make you aware of upcoming road closure for Alderley bridge repair.

To ensure the safety of road users and our workforce, it will be necessary for us to **close the road to through traffic** because of size of machinery that will be used. Overleaf is a map showing the extents of the road closure and diversion route. Pedestrian access will be maintained.

When the work starts, you will be able to speak directly with the construction team, who will keep you updated with progress on the works in order to minimise any disruption to you.

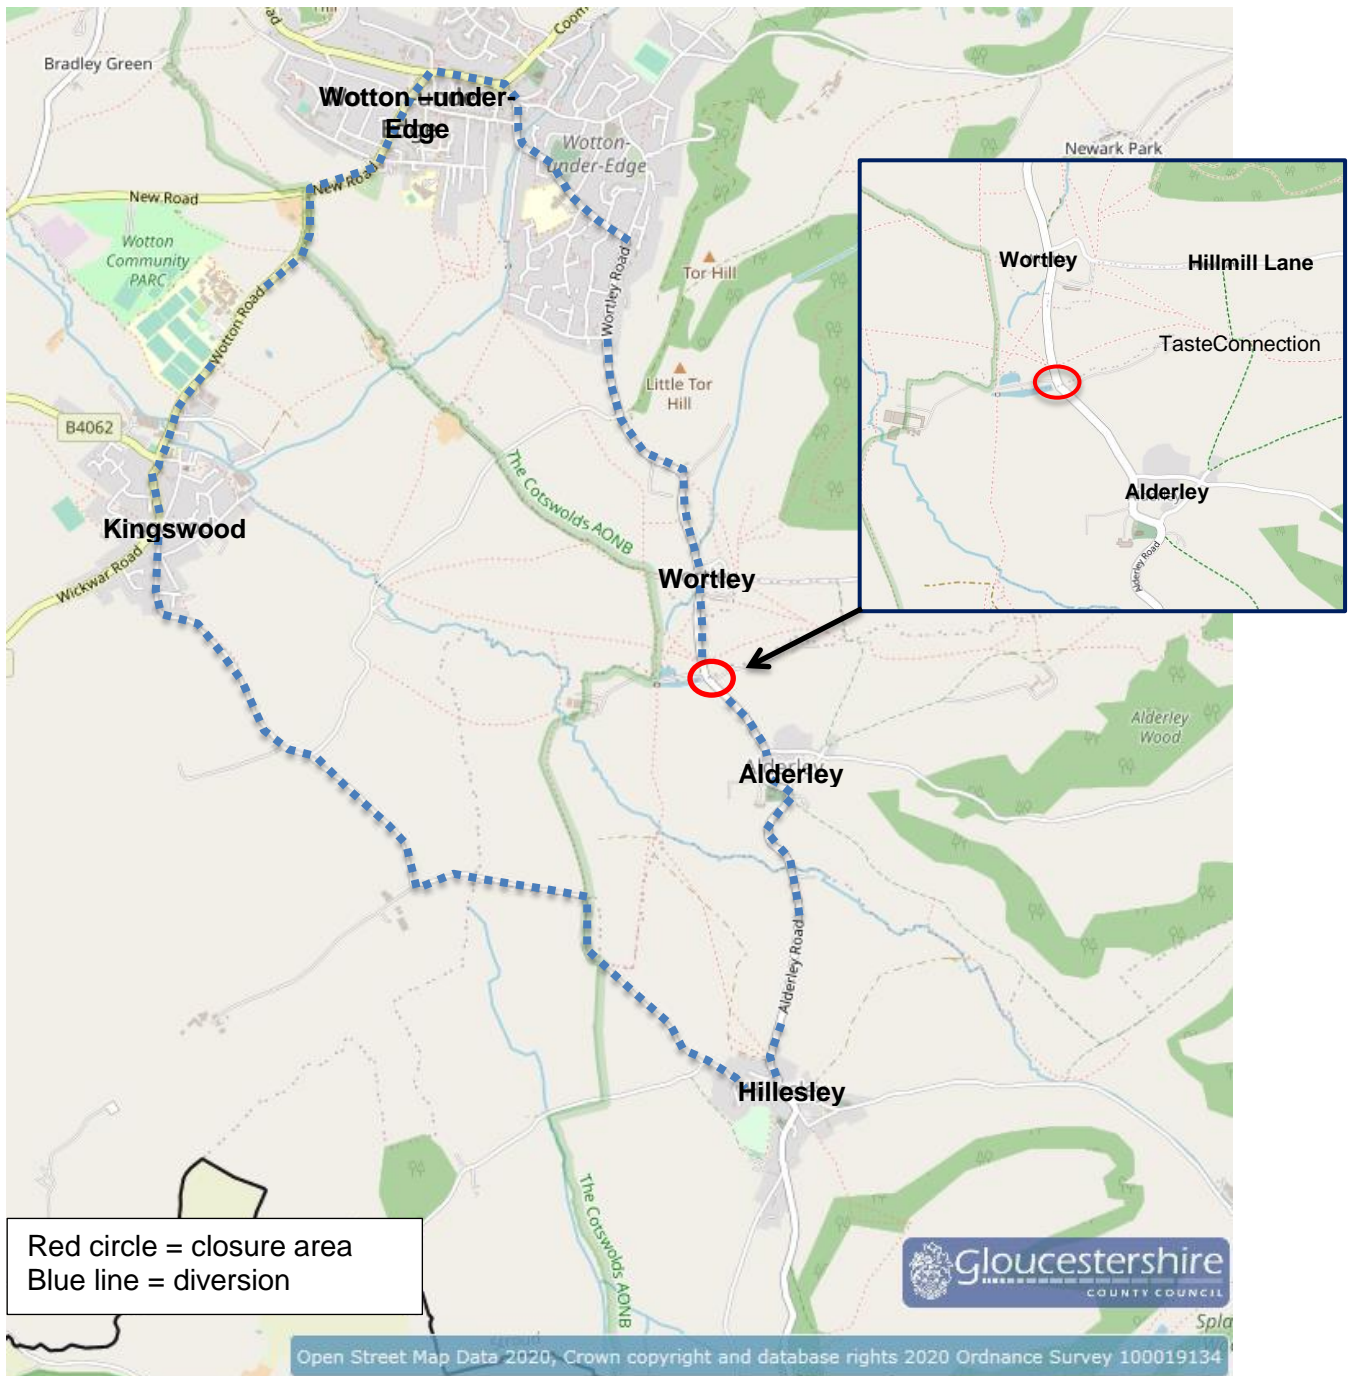

We would like to take this opportunity to thank you in advance for your co-operation and hope the long-term benefits will outweigh any short-term inconvenience.

Yours faithfully

Anthony Mander  
Supervisor
