Sing 2 Remember

Singing | friendship | support

Please join us for a fortnightly community singing group for people living with dementia

Welcome to a group for anyone who might enjoy singing songs from across the years. Elvis, The Beatles, Vera Lynn, Nat King Cole, Doris Day, Abba, Tom Jones - anything goes! This group is about remembering, being together and having fun. Laughter and tears every time!

Sing 2 Remember sessions are supported by our trained volunteers and by community link workers who can offer help and advice to group members, their families and supporters.

The Keepers Community Hub, W-U-E GL12 7BD

1st & 3rd Tuesday of each month | 11am
